- 1. Describe what you want from participating in a farm internship. What are your goals related to agriculture?**
- 2. Why do you want to intern at Green Toe Ground in particular?**
- 3. Describe your previous experience farming or gardening. What skills do you have to offer our farm?**
- 4. Much of what you will learn happens while we are out in the field. How do you feel about hands on learning?**
- 5. A lot of our work might be considered repetitive, tedious and slow. What is the hardest physical work you have done? (Describe tasks, duration, hours)**
- 6. How do you communicate with others in a conflict situation or a situation that makes you uncomfortable? Can you describe a difficult situation you dealt with your supervisor? With a co-worker?**
- 7. Please tell us something interesting about yourself (hobbies, pastimes, etc.).**
- 8. What experience do you have with on site living and working?**
- 9. Are there any other important details about yourself you'd like to share with us?**
- 10. We work in all conditions, using our bodies and minds hard. It can be stressful at times. Do you have any conditions that might make you unable or limited in your ability to do the work on our farm?**
- 11. Please include the names, contact information and your relationship with three references. References should primarily be from an employer or supervisor. Relatives should not be listed.**

Thank you!
